

DRESS ME

Since you were a little girl, you've dreamed about finding that one perfect match for your wedding day. Attractive, flattering, sweet, but a little sexy. We're talking, of course, about the dress. It's probably the biggest fashion decision you'll make, and Georgetown's newest bridal salon, Hitched, is the place to make it. There you can pick up a fashion-forward gown by Judd Waddell or Elizabeth Fillmore (above) and ensure your ladies-in-waiting will be lovely with the store's sweet bridesmaid dresses by Amsale and Simple Silhouettes. Who says bridal bliss can't be found in your backyard? 1523 Wisconsin Ave., NW, 202.333.6162, www.hitchedsalon.com. —K.T.
